Subject: RE: BDCP draft methods for preliminary jd and functional assessment

Hi-

Please send concurrence letter to:

Rich Sanchez, Chief Division of Engineering

Executive Manager, Delta Habitat Conservation and Conveyance Program
Department of Water Resources

1416 9th Street

Sacramento, CA 95814

Thanks,

Jean

Hello, Jean: we're looking at these memos now, and will get you comments as soon as Erin, Rob, Karen Schwinn, and I have had some time to read them over. In anticipation of writing a concurrence letter, can you let me know to whom that should be addressed if not to you?

I would appreciate getting name, title, and the proper snail mail address also.

Thanks!

Paul
